### REPORT ON THE 2017 PLEDGE DRIVE FOR ST. MATTHEW'S EPISCOPAL CHURCH

THANK YOU!

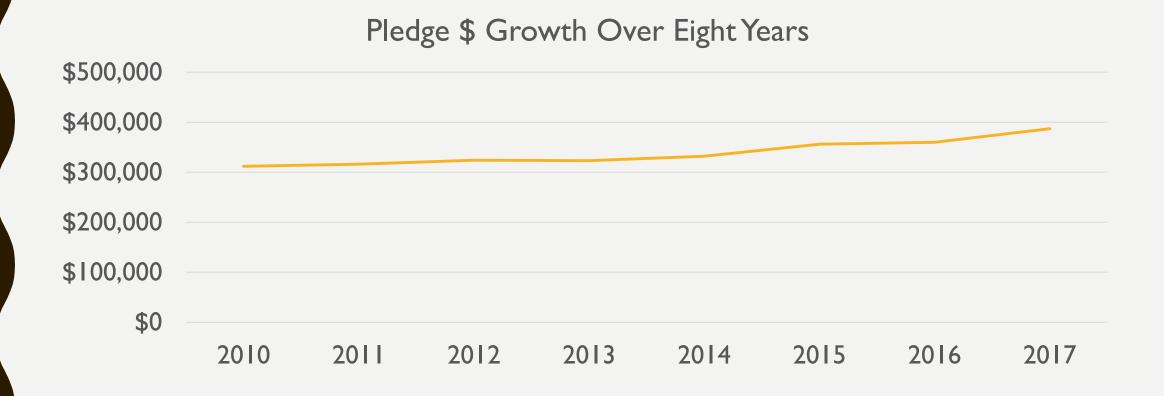

- Thanks to ALL for your participation.
- We were able to talk a little more about money and its role in our Christian community Financial Peace University, parishioners talking about their experiences of generosity and articles in Tidings.
- I hope we can continue to move towards greater understanding of the relationship between our giving and our relationship with God and with each other.
- We will begin 2017 with a request for all to participate in a discussion of what you believe was helpful in growing that relationship.

- 2016 had <u>94</u> pledging households
- 10 of those pledges did not return in 2017
- We gained 20 new pledges in 2017 for a total of <u>104</u>, a modern day record!
- We started 2016 with <u>\$360,000</u> pledged
- We are starting 2017 with <u>\$387,000</u> pledged (pretty sure this is an all time record)
